Prayer Dare
for Our Schools

by Beth Berryman

Day 1

Pray for our buildings.

- Thank God for the physical building and the protection and comfort that it provides.

- Ask God to enter our building and to keep all evil out!

- Ask that all who enter may be blessed and that they will know Him!

- Ask that the building be a place of peace and of love for others: a shining light to the community.

Day 2

Pray for our library, office workers, nurses, guidance counselors, and custodians.

- Thank God for the books available to the children. Pray that the children will be able to decipher between fantasy and reality, and that their imaginations will be sparked.

- Thank God for the technology that our schools and students have.

- Thank God for the filters that are in place to keep our children safe while they use technology!

- Ask God to keep his hands on those filters and on our children that they will be guarded from the harmful evil on the internet!

- Thank God for our school nurse and ask that s/he will have the wisdom and supplies needed to aid our children. Also ask God to watch over our nurse's health as s/he mends our sick!

- Ask God to be with our counselors and for them to have discernment and wisdom!

- Ask God to be with our secretaries, office workers, and custodians, that they will be treated with compassion and kindness and that they would be a loving reflection to visitors and students.

Day 3

Pray for our gyms, sporting fields, and playgrounds.

- Thank God for extracurricular activities and ask that each child be refreshed in these spaces.

- Ask God to watch over the children and keep them safe!

- Ask God to make these areas a place of friendship and for the words, thoughts, and activities to be pure!

- Pray for good sportsmanship, fairness, and no undue stress!

- Thank God for the coaches that invest in our kids and ask that they may be great examples that turn hearts toward the Lord.

Day 4

Pray for our cafeteria.

- Thank God for the meals that are available and the nourishment that they give.

- Ask God to take care of any financial issues in order for all kids to be able to eat!

- Thank God for the lunch workers and ask God to bless their lives!

- Ask God that they may have open eyes and open ears for any student that may be facing a struggle!

- Ask God to keep this space free from cliques, bullies, and . rejection!

- Ask God that the students will develop a healthy eating pattern and will be free of any eating disorders/struggles.

Day 5

Pray for the teachers and administration by name: the men and women who have the greatest impact on our children outside of family.

- Thank God for the teachers and administrators to whom we entrust our children.

- Ask God to help them use their position of authority to be a beacon of light to the children.

- Ask God to help them choose words that are seasoned with love, especially in discipline and redirection, and that the children will feel love in their words and safety in their presence!

- Ask God to help them keep a positive and caring attitude!

- Ask God to help them have open ears, open eyes, and an open heart to any child that needs extra encouragement!

- Ask God to bless them with wisdom, discernment, and grace.

Day 6

Pray for our children.

- Thank God for each child and the education that they receive.

- Ask God to be with each student and with their home life.

- Ask God to help them to let their light shine for Him!

- Ask God to help them be respectful and have an open heart and mind for learning!

- Ask God to put godly examples in their lives and that the school will be a place for those examples!

- Pray that the kids will value themselves and others as being wonderfully made by God.

Day 7

Pray for the parking lot.

- Thank God for the school buses and especially for the drivers.

- Ask God to be with the drivers as they transport our children.

- Ask God to be with students on the bus in terms of their behavior and their conversations and that no evil will be there!

- Ask God to bless all the students (drivers, carpoolers, walkers) and faculty with safe travels.
