This Loved Bible was created for you to show you God's faithfulness throughout the generations.

Here are a few things that I desire you never forget:

The Gospel. Through all the seasons of life, we need to saturate ourselves in the truth of the gospel. The gospel saves us, sanctifies (grows) us, and sustains us (we never grow out of our need!).

Your identity as a child of God. Your success whether in academics, sports, relationships, a career will never determine your worth. Your identity does not rest in any of those things. You are a child of God...live in light of that identity.

The importance of church. God created us to be in community. The people in the church make up the family of God. We need each other to remind each other of the gospel and to spur each other on in faith.

God will never leave you or forsake you. The Christian life will have its ups and downs, yet God never abandons his people. As you read through this Bible, you will see God's faithfulness from the beginning to the end.
